July 2010

The next division meeting will be held on July 1, 2010 at 7pm at the Sheriff's Department. The uniform will be class "B" with duty belt.

From Captain Jarzambek:

More kudos.....The Presidential visit went very very well and I want to thank the 30+ reserves who participated. I know most of you take vacation days or day off without pay to do many of these week day activities and I hope you know that the KCSO and the community recognize your commitment to keeping our community safe and secure.

Special thanks to Lt's Pincumbe, Kronke and Phaneuf for organizing a complicated activity, and I can't forget Sgt Cass and Cpl. Horrocks who made sure that we could communicate.

The "roll out" of the new KCSO Honor Guard uniforms at the Memorial Day Parade and the academy graduation met with a lot of accolades. Take a look at the pictures in the department hallway when you get a chance.

Also, some great pictures of the "jail evacuation" drill. Some of our members look a little too comfortable in those orange jump suits. Makes you wonder.

Planning for the 2010 Kalamazoo County Fair is under way and sign up sheets will be at the July division meeting.

Don't forget about the training with the Mounted Division this month and remember you are encouraged to bring your family for the after training BBQ.

Thank you all again for all you do for the division and the community.

Captain Jarzambek

Reserves,

When you sign up for an event, be sure to write down the details of the event (name of event, where to meet, the time to meet, which uniform to wear, and the OIC information). This will save you time and any confusion that may come up. If you have any questions about the event, be sure to contact the event's OIC.

Sign in Sheet!

Be sure to sign in at the beginning of every Division Meeting. If you don't, you will be getting contacted as to why you were not at the meeting.

If you cannot make it to a Division Meeting, be sure to contact your platoon sergeant.

Participation Hours!

We are in the middle of the year and many events are happening. Every month, each reserve is required to complete a participation report. All reserves receive a blank participation report in the newsletters that they receive. You need to document all of the activities that you participated in. Be sure to document the dates that you work the event; document the how many hours that you worked, and a brief description (i.e. security at Borgess Run, traffic, Car show in Vicksburg, security WMU football game).

Participation reports can be turned in by email, mail, or at the monthly Division meetings.
